UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA

IN RE: INCRETIN MIMETICS
PRODUCTS LIABILITY
LITIGATION

) MDL Case No.13md2452 AJB (MDD)
) As to all related and member cases
)
) ORDER GRANTING MOTION TO
) SEAL PLAINTIFFS' OPPOSITION
) TO DEFENDANTS' MOTION TO
) DISQUALIFY DR. FLEMING
)
) (Doc. No. 936)

Presently before the Court is Plaintiffs' motion to file their opposition to Defendants' motions to disqualify Dr. G. Alexander Fleming as an expert witness for Plaintiffs under seal. (Doc. No. 936.) On February 2, 2015, the Court granted Defendant Novo Nordisk Inc.'s ("Novo") motion to file its motion to disqualify and attached exhibits under seal. (Doc. No. 924.) The information contained in Plaintiffs' opposition to the motions to disqualify and the exhibits attached thereto are the same or similar to those already maintained under seal in connection with the disqualification motion. Accordingly, the Court incorporates by reference its analysis with respect to the expert report of Dr. Fleming, Novo's motion to disqualify, and related exhibits which quote from or summarize information contained in the expert report. (See Doc. No. 924.) Similarly, the Court finds good cause exists to maintain Plaintiffs' opposition and Dr. Fleming's declaration in support of Plaintiffs' opposition under seal as the information discussed

1 therein directly relates to the alleged confidential relationship between Novo and Dr.
2 Fleming. Accordingly, Plaintiffs' motion to seal is **GRANTED**. Plaintiffs' opposition
3 to the motion to disqualify, (Doc. No. 937), the declaration of Dr. Fleming in support of
4 Plaintiffs' opposition, (Doc. No. 937-1), and Dr. Fleming's expert report, (Doc. No. 937-
5 2), will be maintained under seal in connection with Defendants' motions to disqualify.
6 The Clerk of Court is hereby instructed to seal the currently provisionally sealed lodged
7 documents in accordance with the above.

8
9 **IT IS SO ORDERED.**
