ORDER STRIKING DOCUMENT  
NUMBER 6 FROM THE DOCKET  
AND CONFIRMING STAY ON THE  
FILING OF ANSWERS

17 On February 27, 2015, the Court entered an order directing Defendants to file an  
18 answer within thirty (30) days. (Doc. No. 6.) However, in light of the parties' represen-  
19 tations that a stay should continue with respect to the filing of answers in all cases related  
20 to Case No. 13cv1114 (*Childress v. Amylin Pharmaceuticals LLC*), the Court strikes its  
21 previous order, (Doc. No. 6), from the docket. Defendants in all cases related to Case  
22 No. 13cv1114 are not required to file an answer unless and until the Court issues an order  
23 lifting the stay on filing answers. This order does not apply to Case No. 13md2452.

24 **IT IS SO ORDERED.**
