19 The Court is advised that Defendant Michael Machado personally appeared on
20 October 17, 2012 in Dept. 9 at 10:00 a.m. at the Federal Court House in San
21 Diego.

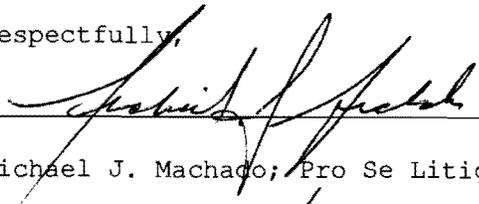

23 Defendant was never informed that the scheduled Status Conference had been
24 cancelled. This is the second time Defendant has made the lengthy trip from
25 Anza, California, 76 miles to the North for a Status Conference that has been

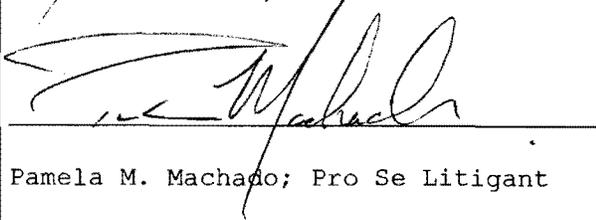

1 cancelled. Defendant is not complaining in that Defendant should have
2 checked with the Court prior to making the trip.

3
4 However, the Defendant would like the Court to be informed that this
5 Defendant answered the First Amended Complaint more than four years ago and
6 has heard virtually nothing since, that moves this case forward, attempts to
7 move this case forward or offers even the slightest flicker of hope that this
8 case will ever see a Trier of Facts and/or be resolved during the life time
9 of anyone involved. This seems to be no fault of the Court, but instead the
10 Plaintiffs and their council. This Defendant prays that the Court will draw
11 a line in the sand at some point, so that this un-fair cloud put upon
12 Defendant's properties can be resolved by this Court.

13
14 This Defendant further prays that the Court will instruct Plaintiffs and
15 their Council that this Defendant has a right to be involved in potential
16 Settlement Negotiations. To date, Plaintiffs have ignored Defendant's
17 written requests.

18
19 Respectfully,
