In the matter of)
CJA Vouchers in Pretrial Diversion Cases) General Order No. 614
_____)

Criminal Justice Act ("CJA") vouchers submitted by defense counsel and other service providers in all pretrial diversion cases monitored by a Magistrate Judge, including the Alternative to Prison Solutions (APS) diversion program, are referred to the Magistrate Judge handling the case.

The Magistrate Judge is authorized to resolve all CJA vouchers in pretrial diversion cases and to modify, if appropriate, the intervals at which defense counsel must submit vouchers. Absent an order to the contrary, defense counsel appointed to a diversion case monitored by a Magistrate Judge must submit an interim voucher, which will cover all work performed up to the date of submission, within 60 days of the defendant's entry into the diversion program.

The final voucher must be submitted within 30 days after the defendant successfully completes the diversion program or is unsuccessfully terminated from the diversion program. The final voucher will cover all work performed after the submission of the interim voucher through completion of the diversion program.

If the defendant is unsuccessfully terminated from the diversion program and additional court proceedings occur before a District Judge, another voucher must be submitted to the presiding District Judge and will cover all work performed after diversion termination through final resolution of the criminal case.

IT IS SO ORDERED.
