ADDITIONAL INFORMATION

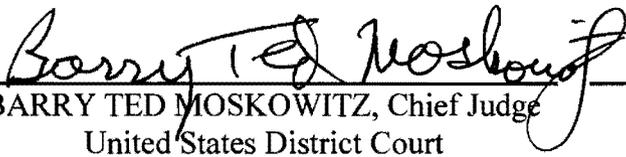

Question # 4 - For Question #4, please answer "Yes" if your answer to the following two questions is "Yes." If your answer is "No" to either of the following questions, please answer "No" to Question # 4:

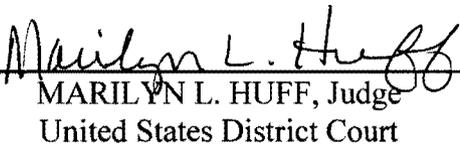

(1) Can you read, write, and understand the English language well enough to fill out the juror qualification questionnaire?

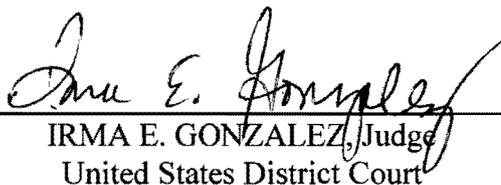

(2) Can you speak the English language?

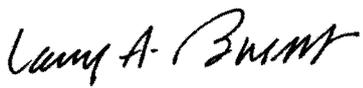

Question #10 - RACE/ETHNICITY. Federal law requires you as a prospective juror to indicate your race and ethnicity. This answer is required solely to avoid discrimination in juror selection and has absolutely no bearing on qualifications for jury service. By answering this question you help the federal court check and observe the juror selection process so that discrimination cannot occur. In this way, the federal court can fulfill the policy of the United States, which is to provide jurors who are randomly selected from a fair cross section of the community.
